- 4 cores or higher
- Excludes U series
- Intel Core i7, i9, Xeon
- 4th generation (4000) or higher

Intel Core CPU with HD 620 Integrated Graphics Requires the Following

- Windows 10, 64-bit
- Driver version 26.20.xx.xx or higher
- i7 OR
- i5 2 cores with major version 26.20 or higher and minor version 7323 or higher

Other Intel Processors

- 6 cores or higher
- 4th generation (4000) or higher
- Excludes Atom and Y series

Non-Intel Processors

- 8 cores or higher with 2.0GHz or higher; OR
- 12 cores or higher
- AMD - Ryzen 5/7/9 or higher

Memory

8 GB or above

LACC Browser Application

LACourtConnect is available via an online browser and is recommended for users attending the virtual meeting on an older device that does not support the desktop application and/or users who are in an environment with minimal background noise.

If you are unable to install the LACourtConnect App, you can join by launching the [LACourtConnect Web App](#) as a backup alternative.

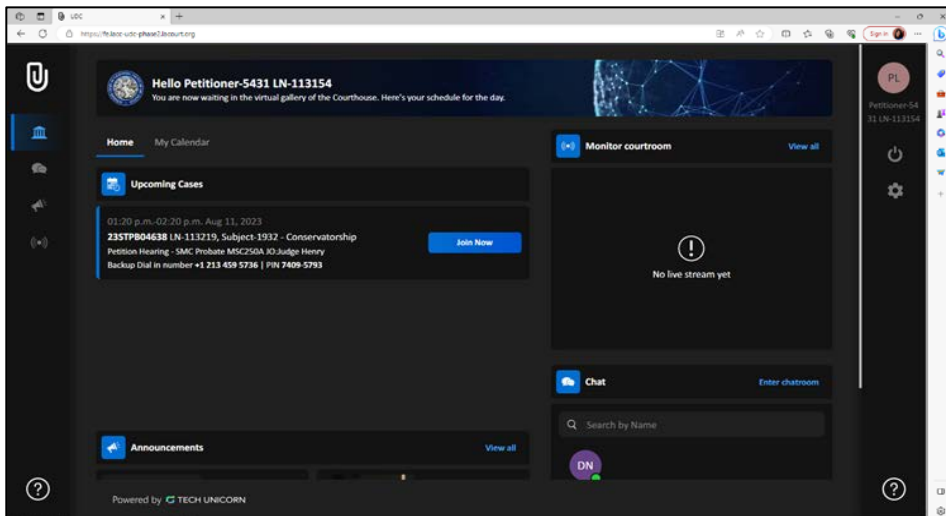

Open your preferred browser and go to <https://lacc2.lacourt.org/>

Log in

When the browser application opens, sign into LACourtConnect using the same email address and password that was used when registering for a remote appearance.

1. Select **Proceed Remote Participant**
2. Enter your email and password and **click Sign In**
3. Once logged, the **Virtual Gallery** will appear

If prompted, allow the browser application to use your microphone and camera

Apple Mobile Application

To join your hearing via your mobile device, it is required you installing the LACC application on your device.

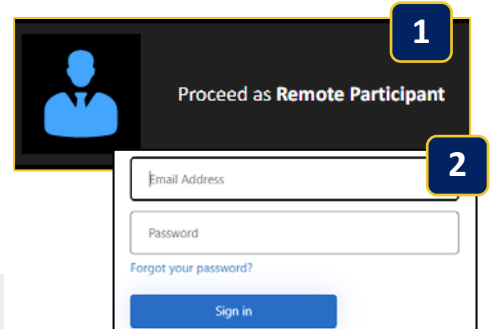

1. From a Home screen, tap. App Store.
2. Browse the App Store, tap. Apps. (at the bottom).
3. Click [HERE](#) or search for apps by name.
4. Tap the app.
5. Tap GET (If prompted, sign into the App Store to complete the install). Once installed, open the app.
6. Click “Proceed as Remote Participant” and follow the prompts.

Log in to the Unicorn Digital Courtroom Application

When the application opens, sign into LACourtConnect using the same email address and password that was used when registering for a remote appearance.

1. Open the app and select **Proceed Remote Participant**
2. Enter your email and password and **click Sign In**
3. Once logged, the **Virtual Gallery** will appear

Apple Mobile App Controls

Once logged in, the mobile app control should appear at the bottom of the screen.

For Apple devices, the controls will be located at the bottom of the screen.

Gallery – Displays your scheduled hearings

Chat – Communicate with those in the hearing

Equipment – Test your audio/video before joining your hearing

Updates – View Court news and updates

Profile – Review and edit your profile information

If you are unable to install the LACourtConnect app, you can join using the browser web app on your computer. Please refer to your confirmation email.

Android Mobile Application

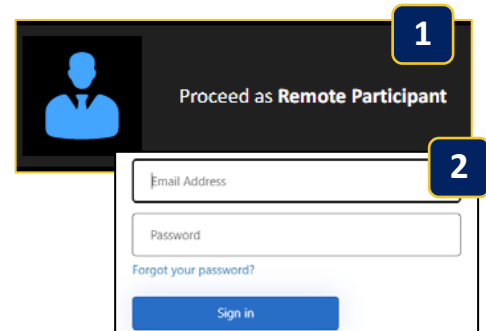

To join your hearing via your mobile device, it is required you installing the LACC application on your device.

1. Open Google Play store.
2. Click [HERE](#) or search for “LACourtConnect” in the search bar and click on the app.
3. Click on Install.
