Los Angeles Superior Court has a "One Trial" term of service. This means that you are placed on call for no more than 5 days and can be asked to report for jury service on one of those days. If you are asked to report to a courtroom for a jury selection, you will be required to serve until you are excused by the court or selected as a juror and the case you are selected on is completed.

Vending machines are located inside the Jury Assembly Room. **Public telephones** located at both ends of the hallway, outside the Jury Assembly Room. **Restrooms** are located inside the Jury Assembly Room and outside in the hallway.

However, you will be paid mileage roundtrip after the second day of service.

JURY SERVICE VERIFICATION – Each day you are required to report for jury service, you will receive service credit. If you are selected as a trial juror, jury service verification forms will be available at the completion of the trial. Otherwise, once you're excused from jury service, you will receive a Certificate of Completion for the days served.

HOW CAN I BE EXCUSED OR POSTPONED WHEN I REPORT?

There are a number of legal reasons that can be presented by a juror requesting an excuse from jury service. Please understand that it must be an extreme hardship. If it is a temporary hardship, jury staff will be glad to postpone your service to a later date.

If you are requesting a financial hardship, the court cannot excuse you simply because your employer does not pay, you are self-employed, or you are a sole practitioner. Whatever profession or work that you do, you must prove that you have an EXTREME financial hardship. Again, staff will be glad to give you a reasonable postponement to allow you to arrange your jury service.

If you request a hardship for dependent care of others, whether for your child, parent or spouse, please understand that this also must be an extreme hardship. The court requires that you prove that you have actual care of that individual continuously between the hours of 8:00 a.m. through 5:00 p.m. If your child is in school, you must arrange care of your child during the few short hours between the time school ends and the end of your jury service day.

Lastly, you may have a medical hardship that prevents you from serving as a juror. You need to let us know what the hardship is by completed your jury summons form in the appropriate place.

Your excuse from jury service should be requested before you appear. If you have previously requested an excuse and your request was denied, the staff will not reconsider your request. The Court expects you to start your service when you are called in. The judge **may not** entertain your request to postpone once you are in the courtroom.

IN THE COURTROOM – The judicial assistant will take roll to assure all jurors have arrived. You will be sworn as a prospective trial juror. The clerk will then call prospective jurors to sit in the jury box from a computerized random listing. You will not be called in alphabetical order. **Remember to always listen to the judges and court staff's instructions. If you are in selection and ordered to return on a future day, please return as instructed.**

WHAT HAPPENS WHEN YOU ARE EXCUSED FROM THE COURTROOM? -

Please listen carefully to the Judges instructions. If you are excused from the case, please gather your belongings, report to the jury assembly room to check out, obtain verification of jury service and leave the courthouse. Your jury service is complete, and you do not need to serve for 12 months.

If you are excused before the end of the business day, please contact your supervisor regarding your return-to-work policy.
